to you?

"As I was explaining to Adam we were told that a privilege is not something that can be afforded to some and not all". He asked me to step out into the hallway to discuss it. We were in the hallway about 20 minutes, total. But we came to an agreement in five minutes, so we were just leaning against the wall in the hallway talking in general. "Basically chillin". At the end of that 20 minute time span, the elevator opened, at which time five police got off the elevator, at which time they webbed me in excluding Adam "Id". They asked him was this a problem (Adam) and then asked him did he call them? At which time Adam stated "no", and told them he didn't call them. By that time all the employees from SUS "Id" was in the hallway. The officers asked them did they call. All responded "no" and stated "none of them called." At which time I began using my cellphone to tape the conversations.

Was anyone else involved?

Who else saw what happened?

At which time I asked all five Defendants was I under arrest. They all stated "no". "Next" I said then I free to go. They told me "no", still having me wedged in, in a half moon formation while I'm against the wall facing them.

"Next", I asked Holman and Beneteo if I'm not under arrest then I'm free to go. They both stated no again. "Next", they stated that I'm under investigation. I then asked them for what? I received no response.

I then gave them my state identification. I knew I didn't have any warrants or wanteds in the continental U.S. or elsewhere.

One ran my name then said "Yeah" Bellvue unquote!

At which time I told them I didn't need any medical treatment, and my right I can deny it.

Two seconds later the elevator opened and "John Doe", worker for New York Presbyterian EMS services got off the elevator. At that moment the officers gave him my state "Id". I then told the EMS driver I don't need or want medical attention. During this time he was writing out my personal information on a form resulting in Account NO# 16-7546.

"OBRUPTLY", all five police officers rushed me like a defensive line of a football team. I then put my cellphone into my top pocket still tapping turned around to the wall face & body facing the wall.

They violently handcuffed me. I stated to them, there was no use or justification for

THE USE OF FORCE, CAUSE I WASN'T RESISTING ARREST!

Once they Handcuffed me they put me on the Elevator, took me down stairs in front of 39 Broadway 10006 where the Ambulance was parked placed me in Back of the Ambulance still Handcuffed, Put this strap Four Hornet across my chest, One off of the Police officers and the other Driving their Squad Car Followed the Ambulance.

'While', the EMS Drive was Driving I asked the other "John Doe" A029 BLS Worker where were they taking me. They stated you'll see unquote!

About 10 minutes later the Ambulance pulled up to a Building. At which time the police officer who Road in the Ambulance pulled me out of the Ambulance walked me threw a Revolving Door, next into a metal Detector, where a Homeland Security officer sat at a Desk.

It was a locked and secure area, where people were not being allowed to leave. He then Police officer sat me down in a chair, unhandcuffed me and literally Broke off into a Run and left me out!

Then what appeared to ~~be~~ workers in scrubs, I began to ask them questions. They told me that I could not leave and just wait.

"Next", they came with a Bag and Confiscated my shoes, cell phone, wallet, debit cards, door keys, metro card etc.

While my cell phone was still tapping tapping these events.

It's About 2:00pm Jan. 14th, 2016. Then they hand me a stack of Forms And told me to Fill them out.

I then Refused to sign the Consent For treatment Forms, Stating to them that I don't need or want treatment "ingwite".

"Next", I quoted Sections NO# 6 & #3 and also Section number #12, And Request Immediate Release From their Custody.

At which time the "Jane Doe" Asian Decent Doctor Appeared! "She stated to me that now you BROKE the Rules" ingwite, I said what Rule? she stated and I gwtte Being able to Read" ingwite!

They then BRung up a Stretcher with hand Restraints, had two Big African American males to lift me up! "Put", me onto the stretcher tie my hands to the side of the Railings. Then she came out with a needle and valve of some Foreign Substance shot me in my Right Shoulder with it.

I woke up Friday morning around 6:00am on the 18th Floor of Bellevue Asking questions About my whereabouts.

Every Single one of the "John Doe", workers, nurses And Doctors Refused to answer any questions.

I started Reading a Bulletin Board

I then contacted one Mrs. Julian Becker Kent on the afternoon of Jan. 15th, 2016 and requested a trial on Case No# 3639346. She returned my call and scheduled it for Monday at 1:00pm on the 19th Floor of Bellevue Hospital.

I never seen or spoke to any doctors by and per my rights from Jan 14th, 2016 up until Jan. 18th, 2016.

About 30 minutes before court a psychiatrist (man) approached me, at which time observing my rights I kindly refused his services.

"Next", I was escorted upstairs for court!

During trial counsel Julian Becker Kent went on record describing the laws and classifications for mental illnesses.

On record "John Doe" male psychiatrist stated he observed "non" of those behaviors with me also stated on record that he never talked to me.

"Next", he read off an libelous assertion report as though he had a conversation with me "Basically", making medical judgments based on "non-medical factors."

Afterwards Honorable Judge Haggler allowed me to take the stand.

At which time I testified to the reason why me & Adam "Id" was in the hallway. We actually stepped into the hallway because there three boardrooms were in use, by other new veterans doing intake and the SEP's Benefits Program was using the big one.

"Also", there were new veterans in the lobby
